$\text{♩} = 60$

With a great clear lake and mountains s - o high Camp Green woods is a home for
4 you and I Here we come To - g - e - ther Here we find friends - for - e - ver The
9 green and the white The gre - en and the white The green and the white Oh! The
12 green and the white The air is rea - lly fresh and we fe - el s - o free Here there are stars and
16 gra - ss s - o green The green and the white The gr - een and the white The
19 green and the white Oh! The green and the white The fi - re glows red The
22 ca ndles bu - rn bright With so much fun our love will never die The green and the white The
26 gr een and the white The green and the white Oh! The green and the white With a
29 great clear lake and mountains s - o high Camp Green woods is a home for you and I
